{% aplayer "The Clubs Fair" "Somebody" "recording.mp3" "coding-club.jpg" %}

Linda and Leo are new students at Rosie Bridge School. Last month, they **attended** the Clubs Fair. First, Linda and Leo **learnt about** the Rocket Club.

"Our club will teach you how to build rockets. Then you can **launch** them into the sky," a boy said. "Watch!"

He took a rocket and launched it. The rocket **disappeared** into the sky. Linda and Leo were very surprised.

"Will it go all the way into space?" Linda asked.

"Of course it won't," a girl from another club **shouted**. "Our club is better. Come and **join** the Solar Power Club."

"What do you do?" asked Leo.

"We **make wonderful machines**. They only use **solar power**. Look!" She took a toy car from the table and then used a **remote control** to drive it all around the playground.

"It uses power from the Sun," said Linda. "That's **amazing**!"

Linda and Leo learnt about many clubs. After the fair, they felt very excited.

"I want to join all the clubs," said Linda.

"Me too!" said Leo.

## Comprehension

---

### A. Read the blue part and choose the best answers.

First, Linda and Leo **learnt about** the Rocket Club.

"Our club will teach you how to build rockets. Then you can **launch** them into the sky," a boy said. "Watch!"

He took a rocket and launched it. The rocket **disappeared** into the sky. Linda and Leo were very surprised.

"Will it go all the way into space?" Linda asked.

1. What can students do in the Rocket Club?

- A. learn to build rockets
- B. travel into space in rockets
- C. draw pictures of rockets
- D. launch rockets into the sky

2. How did Linda feel when they saw the rocket disappeared into the sky?

- A. Surprised.
- B. Excited.
- C. Frightened.
- D. Terrible.

**B. Read the orange part and decide if the following statements are true or false.**

"Of course it won't," a girl from another club **shouted**. "Our club is better. Come and **join** the Solar Power Club."

"What do you do?" asked Leo.

"We **make wonderful machines**. They only use **solar power**. Look!" She took a toy car from the table and then used **a remote control** to drive it all around the playground.

"It uses power from the Sun," said Linda. "That's **amazing**!"

1. The Solar Power Club teaches students to use solar power.
2. The girl used solar power to drive the car.
3. Solar power comes from the Sun.

**C. Read the grey part and answer the questions.**

Linda and Leo learnt about many clubs. After the fair, they felt very excited.

"I want to join all the clubs," said Linda.

"Me too!" said Leo.

1. How did they feel after the fair?
2. Can Linda and Leo join all the clubs?

**D. Find sentences from the article to go with these pictures.**

## Post-reading

Read the following passages.

Welcome to our basketball. In our club, you will learn how to play basketball well. We teach you pulling skills and we do training on the school playground every afternoon. What's more, you will have the chance to play a match every month. I believe you will improve your basketball skills very quickly. It's so much fun. Come and join us!

Welcome to English. In our club, you will learn how to improve your English. We have an English corner twice a week. Also, you will have the chance to listen to English speeches on Friday afternoons. I believe you will enjoy learning English if you join us. It's so much fun.

**Now imitate the articles above, and then write something to attract(吸引) students to join your club.**

Clubs	Activities
The Dancing Club	
The Photography Club	things to do, time, place...
The Robot Club...	

Welcome to our \_\_\_\_\_ Club. In our club, you will learn \_\_\_\_\_.  
We usually \_\_\_\_\_ on/in \_\_\_\_\_.  
If you join our club, you will have the chance to \_\_\_\_\_.  
I believe you will \_\_\_\_\_.
